Dear Mrs Weisberg:

I had written Mr Jones
after having read his book
"Forgive my Grief" and his
wife suggested I write you a
note expressing my enthusiasm
for your very, very fine book
"Whitewash." I have met the

Jones and Mrs Jones brother
lives in this small town. It
was thru him I obtained a
borrowed copy of "Whitewash."

I certainly hope the efforts dis-
played by a few courageous
writers will cause a new & more
truthful investigation of the as-
assination. Thank you for your
writing "Whitewash"

Yours
Mrs Harry Deaver
