Russon's for his "one-man campaign" to  
rescue reputation of CIA  
conceded accuracy of some serious complaints but  
bothered by "psychos" half-truths Esp. in Chile,  
where he was in charge to preserve "democracy" as in  
Europe after WWII

Cuba - Castro assassination attempts - longer in Cuban  
affairs than anyone else "I was in charge in  
Mexico when Oswald was there"  
"I was in Mex City & to understand LHO was  
up to"

Agreed with Foster on Oswald. No Cuban assassin  
support for LHO

"All the evidence that was about all for me has  
really gone to the WC"

Assassinations in general: Never heard of any  
less mention of attempts to kill Castro.

LHO "just showed up on our radar screen"
