1. Posts should not volunteer any statements, concerning assassination of President Kennedy and killing of Oswald. In response to inquiries, comment should be limited as follows: (a) US authorities are making exhaustive investigation into every aspect; on the assassination of the President (b) when this investigation has been completed, a full report/will be promptly made public by the US Government.

2. Some news media have circulated speculations as to motivations for assassination and motivations for killing of Oswald. Mission in its discretion, in appropriate cases, should suggest that circulation of such speculations has no utility and may in fact be injurious. Posts requested to exercise this discretion in light of reports which have been disseminated locally, also taking into account probable effectiveness of any representations.
