Got to the apartment, but the lady in the first apt. east of 1644 Manauer #2 is keeping the Robitussin AC for the Invaders. She was not at home when we first got there but arrived about 8:00 pm. Packed the car at 4th & Beale where 'Herbert T' got the Robitussin AC sold it out of the car while we went to the church.

The COME meeting at 1st Baptist Church started at 8:30 pm. Those present: Rev. Lawson, Rev. P. Meeting began with Rev. Lawson proposing that the reading & adoption of the constitution be postponed till next Tues. July 2, 1968. John Smith & Chas. Lawson gave in and read the constitution but he couldn't let them vote on it.

Another argument ensued at which time Rev. Jackson moved that the meeting adjourn at which time they started to get up and leave but Earl Faxon & Arthur Norood closed the door on the command of Chas. Cabbage & didn't let anyone out.
