On July 15, 1968, at approx. 10:00 AM, Ptlm. J.A. Kemp, came to our office and stated that he had an informant, a young male Colored, who had been to some of the INVADERS meetings. He stated that the informant had been to 163 Majuba, where the INVADERS had a meeting. He states that the informant told them that he had seen some M-1 rifles, M-16 rifles, and pistols on the wall at the 163 Majuba address. He states that the informant told them that they had stole the M-1 from some of the Army P.O.T.C. Supplies in the high school.

Ptlm. Kemp stated that they were going to get a search warrant for this address because they had information that there was also corn whiskey there. He stated that he would let us know when they serve the search warrant and what they found if they find anything. He stated that he knew the INVADERS well, and that they were hanging around the TEE TEE CLUB, at 2200 Florida which is just North of Mallory. He states that they also hang around the Log Cabin. He states that they (INVADERS) are going to have a meeting July 16, 1968, at the 163 Majuba address. He stated that he would let us know what ever information he could ascertain and send it to us.
