The Neighborhood Organizing Project (NOP) has an office and first floor open at 1316 Florida. They have about 20 chairs. It is being operated by WILLIAM "COOP" LOGGINS, CHARLES HARRINGTON and "BIG LARD" BOLMAN.

Informant has not seen HUBLEY GIBSON in about two

He said one of the invaders is known as "DOC" and possibly identical with ARTHUR NOWOOD. He is 5'11" tall, 8 inches tall thin, small mustache, with brown complexion.

He recalled that a few days ago "BIG DOC" or "DOC" and the brother of LARRY LAMAR DAVIS got into a bitter argument.

He said he never sees LARRY H. LAMAR of 1574 Annauer, with the invaders.

He said EMMETT BERRY, another invader, still dispenses small white tablets. He gave one to the informant and informant said he will turn it over 7/1/68, on the next contact.

EMMETT keeps the tablets hidden and on Tuesday night 7/15/68 VERNELL "GEE" BROOKS, was mad because EMMETT would not tell him where they were located.

CHARLES BALLARD has recently been talking. He no longer has the 1967 beige Mustang which was being furnished to him by the War on Poverty Committee.
