# THE DOMINO PRINCIPLE

**A NOVEL  
by Adam Kennedy**

"The action is fast and furious... and I can't help wondering if Adam Kennedy knows something about the current history of assassination that the public will soon learn... I couldn't put it down."  
**HAROLD ROBBINS**

"The Domino Principle by Adam Kennedy is drivingly exciting, very hard and brutal... unvaryingly convincing."  
**LIBRARY JOURNAL**

"A suspenseful Kafkaesque tale of an escaped convict trapped in a sinister assassination plot. It should make a fast, gripping film."  
**JOSEPH WAMBAUGH**

"A super thriller."  
**PETER MAAS**
