Dear Hal,

As I'm sure I indicated and now in the letter that came today you tell me that Jim Lesar told you, I'm not up to this correspondence.

I do not want to seem to be impolite but if you write me again I will not respond.

I do this time because you enclosed a slip requesting confirmation of receipt. I'm sorry that is the way it is, but ~~it~~ it is and I can't do anything about it.

George Bush was involved in the JFK. *caused*
murder for sure. It was *caused*
out by the CIA, and Bush was at that time

Date: November 29, 1963
To: Director
Bureau of Intelligence and Research
Department of State
From: John Edgar Hoover, Director
Subject: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY
NOVEMBER 22, 1963

REC'D - READING ROOM
FBI
Nov 29 1 31 PM '63

Our Miami, Florida, Office on November 23, 1963, advised that the Office of Coordinator of Cuban Affairs in Miami advised that the Department of State feels some misguided anti-Castro group might capitalize on the present situation and undertake an unauthorized raid against Cuba, believing that the assassination of President John F. Kennedy might herald a change in U. S. policy, which is not true.

Our sources and informants familiar with Cuban matters in the Miami area advise that the general feeling in the anti-Castro Cuban community is one of stunned disbelief and, even among those who did not entirely agree with the President's policy concerning Cuba, the feeling is that the President's death represents a great loss not only to the U. S. but to all of Latin America. These sources knew of no plans for unauthorized action against Cuba.

An informant who has furnished reliable information in the past and who is close to a small pro-Castro group in Miami has advised that these individuals are afraid that the assassination of the President may result in strong repressive measures being taken against them and, although pro-Castro in their feelings, regret the assassination.

Bush has lied about this raid & cover!

→ rumors persist that Pres. Bush was involved in the JFK assassination when he (Bush) was a "Texas oilman" in 1963. He ought to be investigated by a Congressional committee, and impeached if this is true!

Dear Harold,

Do you have anything on James Allen Smith -
~~the~~ the real CIA shooter of MLK)? Feustewaald
was down in Tennessee asking James Earl Ray
what he (Ray) knew about Smith. Bud - CIA
are getting ready to go public with Smith,
who was a close associate of George Bush!

I have info now that's nearly 100%
certain (as close as humans can be certain) that
Bud is CIA. I know you won't like hearing this -
but so is Jim & Bob Smith. Always were.

I talked to Jim L. not long ago and he told
me you were sick - in a tone of voice that
seemed to carry a warning to me! The CIA -
Bush - David Rockefeller are right now carrying
out a massive domestic Phoenix Program -
assassinating everyone they possibly can as
fast as they possibly can. (I've been thru
a lot of near-calls recently, including one
"mugging" at a dark bus stop shelter not
long ago. That's an old CIA assassination
cover - they tried to kill Dan Rabin with
a "mugging" in 1986 - check it out.)

Harrison Livingston who wrote High Treason

② had the very same thing happen to him in Baltimore.

The "Domestic Phoenix Program" has killed or injured - as with "strokes") Abby Hoffman, Rep. Leland, Rep. Claude Pepper, Huey Newton, Larry O'Brien(?), Mae Brussell, John Henry Faulk(?), etc., etc., etc.

This is Bush-Rockefeller - CIA's "Last Stand" - kind of like "Custer's Last Stand." We're going into a Depression & they've already lost control of the country's politics. 10,000 people showed up at an anti-war rally in Mpls. last nite. This was, of course, minimized on the network TV programs.

I feel as though they'll probably kill me soon - but I hope I make it thru. At least I & others can now have the satisfaction we've beaten those bastards! They won't realize for 4 or 5 years that they've lost forever - mainly because they're so incredibly stupid!

Prst w. shes,
Hed

P.S. Another thing: Sen. Estes Kefauver was assassinated (in the fall of '63) and Bud Feustenwald was one of those who did the killing. Bud was "working for" Kefauver at the time! I've known this for years, but I've really been afraid to tell anyone. Please don't pass this along to Jim L.! I might as well go "public" with this now since my life probably is about to end, unfortunately.
