

I have all books from  
WWII.

Dear Harold,  
I hear you have a new book out.  
Could you send me an autographed  
copy & bill me? At long last, I'm  
back to work. What happened to  
Jim Leese? Why did Ray fire him  
or Bud? We are forming a Minn.  
Committee & will put you on the  
mailing list. Best - Hal Deland - Apt 308
