

DL - Remember my saying after I remembered my meeting with Darland about 1987 that I had to get together with him before he left town? He called me today with his trader loaded, we spoke almost 1 1/2 hours and it is too bad that I did not get together. It would be good to be able to go over the memos he gave to Bud & Bob any way, it would seem to be the 5th floor at 1750 Penna. NW. He does have some pretty far-out notions but mixed with it is good, solid shit. I think we should get together on this as soon as possible - here. Perhaps at some way you get the government answer in the new suit... He suggests Newman was lit & Newman prevented publication of White's work winter 1965. the 2/8/74
