At the request of Mr. CRAIG the writer gave them a brief oral summary with regard to OSWALD's known movements and contacts in Mexico. Mr. CRAIG and the others expressed their appreciation for the information.

Mr. CRAIG was asked as to whether he and the others

would be interested in seeing such places as the hotel where OSWALD stayed in Mexico City, the travel agency where he purchased his bus ticket, and general areas in the neighborhood of the Cuban and Soviet Embassies here. He replied that he did not feel this was necessary. It might be noted that Mr. CRAIG and the others were in Mexico City primarily for the purpose of attending the meeting of the International Bar Association and it was the writer's impression gained from conversation with them that they only desired the oral briefing in order to be in a position to answer any questions which might be raised by members of the President's Commission following the return of Mr. CRAIG and the others to Washington.

Mr. CRAIG and the others appeared to be completely friendly and well-disposed toward the Bureau. No information of particular interest to the Bureau was obtained from them other than the fact that Mr. CRAIG mentioned that the Commission was trying to finish its report by 8/7/64. He expressed a strong doubt that this would be accomplished.

Mr. CRAIG made no additional requests concerning the ... OSWALD case during the remaining few days that he was in Mexico.

Commission made through the U.S. State Department and the Embassy here to the Mexican Foreign Office for permission to publish material supplied by the Mexican Government in an official report, the following is submitted for the Bureau's information.

Through Foreign Secretary JOSE GOROSTIZA the Mexican
Government has informally indicated to Ambassador FULTON FREEMAN
that it has no objection to the publication of information
contained in its official report and accompanying documents
with the one exception of the publication of the signed statement
with the one exception of the publication of the signed statement
given to the Mexican Government by SILVIA TIRADO DE DURAN.

From statements made by GOROSTIZA to the Ambassador, it would
appear that the Mexican Government is fearful that publication
of DURAN's statement in the President's Commission's report
might lead to repercussions with the Cuban Government, with
which Mexico still maintains diplomatic relations. The Bureau

MC 105-3702

will recall that the Cuban Government tried to deliver a strong note of protest to the Mexican Government following the detention and interrogation of DURAN by Mexican police officials in November, 1963. The Mexican Government rejected this note on the grounds that DURAN is a Mexican citizen and that the Cuban Embassy had not notified the Mexican Foreign Office officially that she was an employee of the Cuban Embassy here.

On 8/4/64 Mr. WALLACE W. STUART, Counselor for Political Affairs, advised that Ambassador FREEMAN had again, scen Foreign Secretary GOROSTIZA on 8/3/64, at which time GOROSTIZA advised that he is making a further study of the DURAN statement and hopes to be able to approve publication of the pertinent parts of the statement which have to do with OSWALD's contact with the Cuban and Soviet Embassies here.

The above is submitted for the Bureau's information.

Two extra copies of this airtel are attached for forwarding by the Bureau to Dallas, the office of origin.
