Dear Mr. Durkin,

Your comment that "PHOTOGRAPHIC WHITEWASH will be getting a good review" is a pleasant bonus. My own concept of the press and its responsibilities and functions impels me to give copies to those who will express an opinion on this subject, whether or not it is friendly or favorable. I believe this is one of the gut issues of our time if not, ultimately, the basic single one.

I do not know when the copies of OSWALD IN NEW ORLEANS will be available. Parallax Publishing Co., 231 East 51, N.Y.C. 421-8050, is doing it. May I suggest that you ask Peter Workman there for a copy? Perhaps even better, pressed as they often are for time, would be sending him a label with your address. He will, I am confident, want you to have one of the first copies, as I would also.

It is my understanding that the book will soon be available. This, of course, is also my hope.

It is supported by more than 300 pages of documentation that has not been published, together with the cited available sources.

Work on the fifth part of my own "report on the Warren Report" is nearing completion. When it is printed I'll send you a copy.

Sincerely,

Harold Weisberg
