Dear Mr. Weisberg -

Read about your new 650-page book, Post Mortem, in Jack Anderson's column. How much does it cost — this time I'll send you a money order so that we don't have another bank "problem" over my signature.

Post Mortem \$10.75 inc. insured mail. To be released soon.

in reviews only and only in normal reviews, which tell readers how to get book and its price. No other reproduction without permission. Because I'm recovering (I hope!) from phlebitis, I expect copies may be speeded by self-addressed label, which I can lick onto package while resting elevated legs. Unless you advise your bank have not yet come to coexist and live by normal, decent conservative principles, no need to go to extra trouble of money order. Unless you don't trust yourself or your bank, that is. Best regards, HW
