Dear [REDACTED]

b7d

The whole tissue of half-truth and distortion which have characterized the Warren Report is about to be permanently rendered. Epstein's book is a niggling slap but nonetheless effective. Lane's book will be out in ~~two~~ ~~two~~ weeks. Someone named Weisberg has published one of his own in Hyattsville, Maryland. Penn Jones in Midlothian has a very creditable book from his own press. Leo Sauvage will be published in September.

Before you read another word you can easily guess my con. I do want you and feel you might like being in my film. We have cracked the whole case on film and we have many citizens of Dallas on film exclusively as well as thousands of feet of stock footage bought from Dallas TV stations as well as newtorsk here.

Do answer this. Will you come up and let me film you here? We are a poor and wretched little company but we are interested in one ASPECT OF THE CASE: the facts. As I said earlier, I'm perfectly willing to give you a list of questions and not deviate from that list, I don't want you to invent anything. I simply WANT YOUR VERSION OF the events of 1/22/63. History will vindicate what you told the commission and will our film.

Will you call maxcollect? CI6-4460.

Best wishes,

Emile de Antonio
