Mr. J. Edgar Hoover
Director
Federal Bureau of Investigation
Department of Justice
Washington 25, D. C.

Dear Mr. Hoover:

I have been reviewing several Bureau reports in connection with our investigation of George and Jeanna De Mohrenschildt and their possible connection with either the assassination of the late President, John F. Kennedy, or the subsequent killing of Lee Harvey Oswald, or both. In this connection, I have particularly reviewed the reports of Special Agent Gomborling, dated November 30, 1963, December 10, 1963, December 23, 1963, January 7, 1964, and January 22, 1964; as well as the report of Special Agent DeBranys dated December 8, 1963.

To the extent not covered in the above listed material, the Commission has asked me to request that your Bureau initiate a full-scale background intelligence type report of the De Mohrenschildts if you have not already done so. If you are agreeable to this request, I would suggest that the proposed investigation include the background data on the De Mohrenschildts' marriages, education, employment, relatives, associates, travel and financial activity.

Your continued assistance in the work of this Commission is greatly appreciated.

Sincerely,

SIGNED

J. Lee Rankin
General Counsel
