Mr. Richard Helms
Deputy Director for Plans
Central Intelligence Agency

Dear Mr. Helms:

By cover letter dated March 21, 1964, the Federal Bureau of Investigation delivered to the Commission 28 reports and memoranda setting forth the results of the investigation concerning George and Joseph De Munnichschick suggested by this Commission. These reports confirm that the present residence of the De Munnichschicks is in Haiti and that they have travelled extensively in prior years throughout Europe and Central America. The Commission would appreciate your furnishing a report from your agency setting forth any information currently in your files regarding these subjects.

Thank you for your assistance.

Sincerely,

SIGNED
