Mr. Harold Cloninger,

Dear Sir: Thank you for doing
what thousands of Americans
hoped to have done - this
last about Mr. Kennedy's
presum. Please let me know
& can purchase your book -
if you can send it direct, please
state the price on the enclosed and
so that I can send a check.

One question I hope is answered
on the back is - who was her
John - during those early years -
my 2nd, the period before -
mentioned in about D.P. - also
why did he feel he was
Gami's he wasn't that - wasn't
removed? (Gami?) who was.

Kennedy's 'Jim Johnson' were
Campyng, 'in Johnson did
without & except the
President's pardon; part of
time that Mrs. Johnson urged
him to ~~do~~ pay my part.
was a part man & if he
could not in the '50's
would be pardoned? & re-
mains in the ground,
that I was shocked by such
a brutal statement.
I wish there were more
men who would lay for
part - people - who
are people, forget the
party and please to remember.
I am many thanks
Yours S. Ernest

Dear Mrs. Everett:

Thank you so much for your letter. It means very much to us to receive such warm comments from unknown friends. And your letter also shows you have an appreciation of the tremendous amount of time and effort we have invested in WHITEWASH.

Until we decided to publish the book ourselves and finally got it on the market, we didn't realize how very many fine, dedicated people there are in this country - dedicated to the ideal of the best is what we would like for our country. We have heard from a great many people, and their encouragement and support is indeed welcome. It takes away much of the feeling of aloneness.

We are looking to the day when the public will demand the reopening of this case and a full and complete investigation of all happenings surrounding it. Only when the case is completely and finally solved can we feel that the office of the Presidency and the country as well are safe and free. To the best of our ability, we are working to that end.

Once again let me tell you how grateful we are for your taking the time to write us so considerately.

All the best to you.

Sincerely,

Harold Weisberg

Dear Mrs. Everett,

To save you time and trouble, we are enclosing a copy of WHITEWASH. The price is \$4.95 plus 10¢ postage.

We have had many letters from your area. The bookstores apparently do not know they can get WHITEWASH from their regular wholesalers, or from us.

Thank you also for the interesting thoughts you shared. Much of this will have to await the final answer of history, but perhaps we have gotten it started.

Sincerely,

Harold Weisberg
