Dear Grason,

Sorry your man did not do better. Better luck next time!

Saw that Clarence Mitchell IV won. Hope he is a chip off the old blocks. All good people.

Sorry III did not make it back, as he said he would.

Liked him.

Hope you do make it to Cardin's office. If you do I'll have a few suggestions for him.

Don't have to be a Democrat to pull for the Glendenning/Townsend ticket! ^{Those} ~~That~~ GOPs are again promising pie in the sky, the impossible, and proffering by it.

Sauerbrey got a little reverse in the local courts yesterday on spending.

If you are ever near here, stop off. Hope to see you again.

Our best,

Harold Weisberg

Dear Mr. & Mrs. Weisberg:

Just a short note to touch base and thank you again for your support in the past election. The final vote in the Attorney General's race was:

J. Joseph Curran	244,655	(53 percent)
Eleanor Carey	152,474	(33 percent)
Pat Smith	67,584	(15 percent)

You also might be interested to know that Senator Mitchell's son, Clarence Mitchell IV won a House of Delegates seat. I learned a great deal as Pat Smith's statewide campaign manager. He intends to stay active and will probably run again in four years. As of this date I am unemployed. If I can help out with research or typing please do not hesitate to give me a call. I have applied for a position with Congressman Ben Cardin's office since one of his staff assistants will be leaving to take a seat in the House of Delegates. That position will not be available until January '95. Also, I have applied to be the Eastern Shore coordinator of the Glendening/Townsend coordinated campaign run by the Democratic Party. In any case, I want you to know that if I can be of any assistance to you you can always give me a call. Now that I have some time I have begun to again study the Kennedy and King assassinations and I know that it takes years and years to understand the work that you have done.

Take care and again thanks for your support.

With best wishes,

Sincerely,
Grason
