Rt. 8, Frederick, Nd. 21701 7/17/74

Dear Congressian Edwards,

If it interests you, I am getting the social numbers of the bills in Hr. Dorothy Hunt's purso at the time of her death.

There could have been an investigation to try to determine their cource. However, I have seen no indication of it in any public or court use.

Sincerely,

Herold Weisberg
