Mr. Harold Weisberg
Route 8
Frederick, Maryland 21701

Dear Mr. Weisberg:

I apologize for not replying to your correspondence sooner. My staff did call your letters and phone calls to my attention, but events in the Judiciary Committee have been at such a hectic pace during this past month that I have been unable to tend to correspondence as promptly as I ordinarily do. I do want you to know that the impeachment staff has looked into the matters discussed in your correspondence and in addition, I have personally followed-up on these matters with the proper people on the inquiry staff.

Regarding your latest letter dated July 17, 1974, yes, I would be interested in receiving the serial numbers of the bills in Mrs. Hunt's purse at the time of her death. I believe, however, that this information also, is presently in the hands of the impeachment staff.

Sincerely,

Don Edwards

Member of Congress
