The recent events in Boston outraged people of conscience everywhere. We saw mobs of bigots throwing rocks and bottles at buses carrying black school children to predominantly white schools.

Today racist groups, using the code word "anti-busing", are still organizing in Boston and now they are trying to spread their hysteria throughout the country. These forces of hate and prejudice are emboldened because of our silence. They must not continue to appear to speak for the majority. THEY DO NOT! We believe that most people stand on the side of basic human rights. Where do YOU stand? Will you speak out?

### Will You Say NO to Mob Attacks on Black School Children?

"WE CALL ON JUSTICE LOVING PEOPLE FROM ALL FIFTY STATES TO COME TO BOSTON AND JOIN OUR FREEDOM MARCH.

"We must link our arms, black and white, and march together for the right of all school children to go to any school in safety. Let our voices and our presence say: 'NO TO INSTITUTIONALIZED RACISM, NO TO RACIST MOB VIOLENCE, NO TO RACISM IN EDUCATION.' Our message will be heard around the world."

—State Senator-elect William Owens of the Massachusetts Legislative Black Caucus at a press conference in Boston, Nov. 14, 1974

La gente de conciencia de todas partes han sido afrentadas por los recientes eventos en la ciudad de Boston. Hemos visto pandillas de fanáticos tirándole piedras y botellas a los autobuses cargando niños escolares de la raza negra a escuelas que en su mayoría son blancas.

Hoy en día todavía hay grupos racistas organizando en Boston bajo el código de estar en contra del uso de autobuses para integrar las escuelas racialmente y ahora tratan de regar su histeria racista a través de la nación. Nuestro silencio solo animan estas fuerzas de odio y perjuicio. ¡Tenemos que prevenir que sigan presentándose como la voz de la mayoría porque no lo son! Creemos que la mayor parte de la gente defienden los derechos básicos humanos. ¿En qué lado queda usted? ¿Alzará su voz?

**¿Le dice usted NO a los ataques canallas en contra de niños escolares negros?**

**"LE PEDIMOS A TODO AMANTE DE LA JUSTICIA EN LOS CINCUENTA ESTADOS QUE VENGAN A BOSTON Y SE UNAN CON NUESTRA MARCHA DE LIBERACION.**

"Tenemos que enlazar nuestros brazos—blanco y negro—y marchar juntos para con el derecho de todo niño escolar de ir a cualquier escuela en seguridad completa. Que nuestra voces y nuestra presencia diga; ¡No! al racismo institucionalizado; ¡No! a la violencia canalla; ¡No! al racismo en la educación. El mundo entero oirá nuestro mensaje."

Dear Friend,

We are asking for your support and help in organizing an emergency march and rally in Boston on Saturday, December 14 in response to brutal attacks against black school children.

We feel you share our outrage at this recent violence and believe that black children have the right to attend any school in safety.

Several years ago racist attacks in Birmingham and Selma, Alabama, became a focus of national attention and the civil rights movement was responsible for turning the situation around. Today Boston is the test-case city. The racists have gained confidence because as yet there has been no massive outcry against their attacks. Similarly, in other cities across the country reactionary attempts to overturn school integration plans are now being fueled by inaction in Boston. This will continue unless we act now.

The Freedom March for Human Dignity will be a peaceful demonstration of deep concern involving thousands of civil rights advocates from all walks of life and all parts of the country.

As Massachusetts State Senator-elect William Owens declared in announcing plans for the march, "Let our voices and our presence say NO to institutionalized racism! NO to racist mob violence! NO to racism in education!"

Supporters of civil liberties know that campaigns of this scope necessitate substantial fund-raising efforts. Funds are needed immediately for newspaper ads; bus and train transportation; hundreds of thousands of leaflets, posters, buttons; rent, phone bills, and mailings.

Your generous contribution today can help make this vital response to the forces of reaction a reality on December 14.

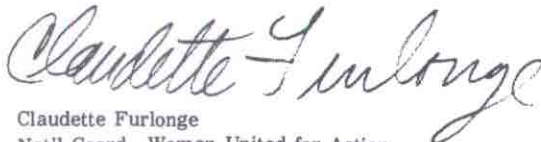

Ramsey Clark

Sincerely,

Bill Owens  
State Senator-elect, Massachusetts
