

"Never questioned that Oswald
was guilty."

Quoted my book but said he
had never read it - yet
never quotes it & said he
had written a review
for December Esquire -
misquoting on payments

Lieberman's file - Old History

had not ~~any~~ given any close
on a description of anything. Used
hostile language unbecomingly
talked to mean this on p. 115
Regardless he is wrong because
it was agreed to on 11/24/63,
as he would have known had he
done any serious research.
