Dear Barry,

As soon as she can, my wife will make up a package of the books and send them to you. The will bill you at the book-store discount and you can, of course, keep the difference, less postage, which is paid by the stores. You can also return any you do not sell as long as they are in saleable condition. You needn't pay for them until you send them back, when you can pay for any you have sold.

You didn't say how many of each you want, so we will make the number small, what will conveniently fit whatever boxes we have.

Stay away from Nancy. It is very complicated and others who have the requisite knowledge and background are working on it. You cannot do anything there. I do not have her exact address anyway.

I do not know Eddie Brawner's address.

I have been at the gave but that day had to be at the doctor's, the dentist's, and do radio broadcasts by phone.

Sorry you couldn't stop off. We are on Old Receiver Road, just off of Shookstown Road. We are only three miles from Rt. 15, which is the road you take, or 40. If you use 15, get off at the Rosemont Ave exit, go back under Rt. 15 to the first road on the left, Shookstown, and follow it to Old Receiver, which is on the right. Follow OR 1/3 mile to our box, on the right. You will then see out lene, which is but a few feet a say. Be certain to stay on OR and not take the private road into a housing development about a block from Shookstown Rd. If you use 40, turn right onto Baughman's Lane, stay on it to Shookstown, about a half mile, then left and the rest is the same. The lendmarks on 40 are the Holiday Inc on the right and the State olice, which is accross B. Lane from the motel. This is the first road or street off of 105, very close to it.

Be certain to phone first to see if I am home. I'll be leaving on another trip soon.

Dear Harold,

It was good to hear from you. I had heard that you were going out to the west coast, but I didn't know you were also going into Texas, and La. Hope the trip was profitable.

In reference to your books, if you would want to send some copies to me, I could sell them for you. I've sold a good many of Penn's books. I know a good many people that live around me that are interested in the case that would buy them. In fact, I lent "Whitewash I" out to a neighbor and she still hasn't returned it! (I'm going to get that back soon!) Anyway, if you want to send me some, send them to my home, collect. I will include the postage on the price of each book which I sell, and then send the profits back to you. It's up to you, though.

By the way, do you happen to know the address and such of Nancy Perrin Rich? It would be most belpful if you could forward her address or find it out for me. I would be interested in talking to her about Jack Youngblood. Also, would you happen to know the address of Eddie Brawner, who lives in Grand Praire? (ie. Volume 14, pp. 361 and 363.)

Sorry you couldn't have been at the grave site. It was really beautiful. I got to see Ted Kennedy. He came up and stayed for only about 5 minutes. We stayed there for almost 2 hours. There sure were a lot of people.

Guess what? I wrote a letter to the editor of our hometown paper concerning the assassination and he published in This came as quite a surprise to me because he earlier turned me down when I wrote a 5 part series on the case. I also sent a copy to the Dallas papers but I just got a letter from a friend down there who said he didn't see it in either paper. Doesn't surprise me since Docker

controls the papers.

Well, guest I'll close here. Hope you are feeling better. Let me know about selling the books. I'd really be glad to fo it. In fact, if you would want to send me any other books of yours, (Whitewash I & II), I could sell them also. Let me know. Take care and I'll see you later.

Best regards,

Barry

P.S. Continue to write to my Virginia address.
P.P.S. By the way, where do you live in Frederick????
We were going to stop and see you last friday on the way back from the grave site, so we asked a guy at a gas station where Route 8 was and he said it covered a lot of area.

Don't you have a box number or anything???????
