Section 179

DL 100-10461

bullet. On 11/22/63, JAMES ROWLEY, Chief, U. S. Secret Service, Washington, D. C., gave this bullet to SA ELMER LEE TODD, of WFO, who, on 11/22/63, took to FBI Laboratory and delivered to SA ROBERT A. FRAZIER. Both TODD and FRAZIER identified bullet by placing initials thereon.

## LEADS

## BUREAU

Immediately on receipt of original evidence, advise WFO, so WFO may obtain Cl.

## Washington field, office

Obtain Cl from FBI Laboratory and thereafter immediately exhibit to SA ROBERT E. JOHNSON, Secret Service, who is attached to White House Detail, and to JAMES ROWLEY, Chief, Secret Service, to have Cl identified. If neither can identify, Cl should then be examined by SA ELMER LEE TODD for the purpose of identifying item by inspection.

After necessary identification made, WFO will sutel necessary information to Dallas so same may be included in overall letterhead memorandum by Dallas Office.
