## Weisberg transcript

### says FBI told Oswald was agent for FBI

Author of several books on the Kennedy Assassination, Harold Weisberg of Frederic, Md., 4 years having a Warren Commission document declassified, has released the transcript of the author's proceedings. Weisberg's commission discussed a report that Lee Harvey Oswald had been an FBI agent.

Discussing Oswald's alleged FBI connections were then Sen. John C. Stennis, then a Michigan congressman, and other Warren Commission members. They discussed the report Jan. 22, 1964.

It was the Warren Commission's investigation of the assassination of President John F. Kennedy. Lee Harvey Oswald was systematically criticized the commission's conclusion.
