Dear Mr. Weisberg:

Confirming our brief telephone conversation of this week I am enclosing the USA Weekend article on director Oliver Stone. This article peeked by interest and I had hoped that Mr. Stone would create a movie that would honor his commitment that he wanted to be a good historian as well as a good dramatist. Unfortunately that seems not to be the case. I am thankful that I was a student at University Wisconsin Stevens Point and attended some classes by Dr. David W. Wrone. I recall you were one of the guest speakers at the JFK Seminar held back in the 70s. I attended every session. Your insight and Dr. Wrone's was and always will be a great inspiration to me. I realize this article may not be directly on point but I would like to share it with you nonetheless.

If you have any questions or comments please feel free to write or call me. My address is Fish Law Offices, 230 Merchant Row, Milton, WI 53563. My new toll free 800 number is 1-800-626-4479.

With the greatest respect and admiration.

Yours very truly,
