Dear Harold:

Congratulations on what sounds like a  
"block-buster" in the "Post mortem" publication.

I want 2 copies, and I would appreciate  
your autograph as you have been so kind  
as to do for me on all your other books

Am enclosing check for \$21.50 for the  
2 copies insured.

I wouldn't be surprised if there isn't an  
attempt to suppress your book and I  
sincerely hope not. But strange things happen  
in this case.

Sometime ago I had a letter from Penn  
Jones and he expressed a fear that Roger  
Craig would be murdered. Well, he is now  
dead, but they called it suicide.

Best regards

Sincerely

George Foster
