TELEPHONE CONVERSATION BETWEEN THE PRESIDENT AND CONGRESSMAN
HALE BOGGS (to Congressman Boggs)

LBJ we are having some serious things present themselves in connection with all these investigations going on ... on the Dallas thing. We think that perhaps the best way to approach this is try to get a couple of members of the House... couple from the Senate... and maybe somebody from the Court .. we don't want to say anything about that to anyone... but I've talked to the Speaker and I've talked to ... the Senate... and here's what we're trying to do ... I want to.. and the Justice Department and that seems to be the consensus best thing to do... I want to

HB What .. that is what I had intended to put in the ~~record~~ resolution, but I had no intention of doing it until I talked with you.

LBJ Well let's hold back.. let me clear that.. let me see how it goes. I've got to talk to some other people about it but I wanted you to know what we were thinking.

HB My thought was that you might want to put a couple of people on there from the public, too, Mr. President

LBJ Well, we might do that.

HB That was exactly what I had in the resolution that I'd asked Lou Dexler to draft but which I've not put in... two from the House and two from the Senate .. two from the Judiciary and two from the public..

LBJ Well that gives you eight.

HB Yes... and two of course from the public would be appointed by you.

LBJ Yes. Well wouldn't they all be appointed... their thought was to have a Presidential commission..

HB Right. All of them would be appointed by you.
Mr. President you were magnificent last night. We sat down, Lindy and I and a few of our long friends and just cried. God what a job you've done and you've been utterly magnificent.

LBJ Well you're mighty wonderful.. Bird wants Lindy to help her on a good many things and tell her to be careful with my little girl as she can cause she's got to be careful who she asks.. of letters and things she's working

HB Well, don't worry. She's got a whole flock

HB

Contd on right now.

LBJ Thank you my friend.

HB Thank you Mr. President.
