Enclosed: Justice Dept. statement of 6/6 on King wiretap. (I wrote for a copy.) The date the tap started would seem to give added importance to the MLK angle in the Miltner material. If you bring this to the attention of any newsmen, I suggest that you just give them the Archives stuff on Miltner, rather than telling them what you have. (More impact that way.) Might Harwood be interested?

Also enclosed: Maggie Higgins column (11/9/65) mentioning Col. Conain.

Yellow incident in Newman interview.
