IV. INVESTIGATION OF MARTIN LUTHER KING'S DEATH
BY THE FBI

A. Adequacy of the Investigation

My reading of the assassination investigation leads me to conclude that the Bureau's investigation was comprehensive, thorough and professional. Every conceivable lead seems to have been pursued. Great numbers of persons who were known to dislike blacks were checked out as suspects. All Bureau field offices were put on alert to participate in the investigation and each SAC was held personally responsible for seeing that leads in his area were run down. I have talked with three attorneys who, at various times, had responsibility for monitoring the investigation and all are satisfied that the FBI had nothing to do with Martin Luther King's assassination. B. Indications of Bureau Involvement in the Assassination

There are none with the exception of the COINTELPRO activity of proposing that a blind memorandum be sent to a Memphis paper to embarrass King into moving into the Lorraine Hotel where he was shot. That has been investigated previously and its purpose is subject to a different interpretation, discussed below (u) *wasnt*

Evidence exists that the FBI was not involved in King's assassination. On April 2, 1968 Attorney General Ramsey Clark turned down an FBI request to tape the telephones of SCLC in Atlanta and Washington to learn about plans for the Poor People's Campaign. This request indicates that the FBI expected no change in SCLC's (and King's) plans. The attempt to discredit King by planting an embarrassing story in the Memphis papers indicates a continuation of the Bureau's campaign against King. Logic suggests that the last thing J. Edgar Hoover wanted was to make King a martyr, thereby enhancing his image. This runs counter to years of effort by the FBI to discredit and neutralize King. Finally, the investigation was so massive and
