SOCIALIST WORKERS PARTY  
INTERNAL SECURITY - SWP  
DISRUPTION PROGRAM

The Socialist Workers Party (SWP) has, over the past several years, been openly espousing its line on a local and national basis through running candidates for public office and strongly directing and/or supporting such causes as Castro's Cuba and integration problems arising in the South. The SWP has also been in frequent contact with international Trotskyite groups stopping short of open and direct contact with these groups. The youth group of the SWP has also been operating on this basis in connection with SWP policies.

Offices receiving copies of this letter are participating in the Bureau's Communist Party, USA, Counterintelligence Program. It is felt that a disruption program along similar lines could be initiated against the SWP on a very selective basis. One of the purposes of this program would be to alert the public to the fact that the SWP is not just another socialist group but follows the revolutionary principles of Marx, Lenin and Engels as interpreted by Leon Trotsky.

It is pointed out, however, that this program is not intended to be a "crash" program. Only carefully thought-out operations with the widest possible effect and benefit to the nation should be submitted. It may be desirable to expand the program after the effects have been evaluated.

Each office is, therefore, requested to carefully evaluate such a program and submit their views to the Bureau regarding initiating a SWP disruption program on a limited basis.
