Honorable J. Lee Rankin
General Counsel
The President's Commission
200 Maryland Avenue, Northeast
Washington, D. C.

Dear Mr. Rankin:

Reference is made to various communications, the most recent being my letter dated April 24, 1964, concerning Mrs. Shirley Martin also known as Mrs. Mark E. Martin of Hominy, Oklahoma.

Enclosed for your information are two copies of a self-explanatory communication from our Dallas Office dated April 24, 1964, relating to information furnished by Mrs. Jean Lollie Hill. This communication concerns a telephone call Mrs. Hill reportedly received from an unidentified woman in Oklahoma on April 22, 1964.

From the information contained in the enclosed communication and from prior experience with Mrs. Martin, it is possible she is the unidentified caller.

For your information, Mrs. Hill was interviewed by this Bureau on November 22, 1963, the results of which were submitted to you and appear on page 35 of the report of Special Agent Robert P. Gemberling at Dallas, Texas, dated November 30, 1963. Mrs. Hill was reinterviewed on March 13, 1964, and the results were furnished to you with my letter dated April 2, 1964.

This is being furnished in view of your prior interest in Mrs. Martin and no further action is being taken.

Sincerely yours,

J. Edgar Hoover.
