Reference is made to my earlier memorandum dated 12-20-63 wherein you approved the delivery of four investigative reports to the Presidential Commission by J. R. Malley. This has been done.

Based on the request of the Commission on 12-17-63, 68 additional copies of reports in duplicate prepared by this Bureau are available for delivery to the Commission. We are also furnishing an additional copy of each of the four reports previously furnished for the Commission's assistance. All reports furnished to the Commission of course are appropriately reviewed by Bureau Supervisors, Belmont and Malley. As additional reports are received they will be made available to the Commission after appropriate review.
