Honorable Marvin Watson  
Special Assistant to the President  
The White House  
Washington, D. C.

Dear Mr. Watson:

In my letter of August 10, 1963, information was set forth regarding a letter written by Mr. Joachim Joesten which was critical of President Lyndon B. Johnson.

I thought you would be interested in the following additional information pertaining to Mr. Joesten. Indications are the forthcoming 300-page book authored by Mr. Joesten is entitled "The Truth About the Kennedy Murder." The book is to be published in the beginning of September, 1966, by Schweizer Verlagshaus in Zurich, Switzerland.

Some information pertaining to the book "The Truth About the Kennedy Murder" was set forth in my letter of August 10, 1963. Additional information has been received indicating that the latter book sets forth conclusions by Joesten that there was a false Lee Harvey Oswald, a double, who looked like Oswald and was an employee of Jack L. Ruby. Allegedly that double did everything to implicate Oswald. Joesten also states that at least thirteen people who knew too much about the real reasons for the Dallas tragedy have been murdered or disappeared under mysterious circumstances.

On August 6, 1963, Mr. Joesten was arrested by the Swiss Police in Switzerland, held for twenty-four hours in order to be psychiatrically observed. On August 8, 1963, Mr. Joesten was released from Switzerland and authorities of that country have issued a ban against Mr. Joesten re-entering Switzerland.
