Re Bureau airtel to New Orleans, Dallas, Portland and Minneapolis dated 12/15/70, which dealt with a letter from HAROLD WEISBERG to the Department of Justice. The portion of WEISBERG's letter involving the Portland Division concerned Mr. and Mrs. J. PAT DOYLE and son JIM, and their friends, Mr. and Mrs. MATT WILSON of Portland.

The situation involving the DOYLES and WILSONS was first outlined by Portland in an airtel to the Bureau dated 11/27/68 captioned "JACK LEON ROBY, aka Jack Ruben Stein; LEE HARVEY OSWALD, aka Alek J. Hidell, O.H. Lee - VICTIM, CIVIL RIGHTS." A roll of 8 mm motion picture film, in color, which included photos of an individual possibly LEE HARVEY OSWALD, was forwarded to the Bureau with that airtel. The film was taken by young JIM DOYLE, then 14 years old. The film was provided to the Portland Division by the father, J. PAT DOYLE, 1107 S.W. 122nd Avenue, Portland, with the request that it be returned to him after the Bureau had kept it as long as necessary. The film was forwarded in order that the Bureau might make copies of the pertinent scenes if it so desired.

Reference to this film also was made in an airtel to the Bureau dated 11/20/63 under the same caption.

FD-302's incorporating information provided by the adults, Mr. and Mrs. DOYLE and Mr. and Mrs. WILSON, were prepared, and the originals are maintained in Portland file 44-225. These FD-302's were set out in Portland report dated 12/1/63 in the matter entitled "LEE HARVEY OSWALD, IS - R," 12 copies of which were forwarded to the Bureau (BUfile 105-82565). Mention of the film was also made in the administrative page of that report.

By airtel to Portland dated 1/31/64 the Bureau returned the above film to Portland with the comment that the Bureau had no further need for this film, and that the film was enclosed for return to J. PAT DOYLE.

The film was returned to DOYLE on 3/10/64.

# Warren report rapped

WASHINGTON (AP) — The author of several books criticizing the official investigation of the assassination of President John F. Kennedy says he has evidence that the Warren Commission prejudged the case.

WASHINGTON (AP) — The 1964, before the panel began its investigation.

Welsberg said the outline included the assumption that Lee Harvey Oswald was the assassin.

In a new book published Saturday, Harold Welsberg released a proposed outline of the Warren Commission report which he said established that "the conclusion was determined before the investigation began."

Welsberg said the outline was submitted to the commission headed by then-Chief Justice Earl Warren in January

Mr. Richard Kleindienst  
Deputy Attorney General  
The Department of Justice  
Washington, D.C.

Dear Mr. Kleindienst,

In the course of my own investigations of the Kennedy assassination I have located and spoken to the owners of two amateur motion pictures of Lee Harvey Oswald being arrested in New Orleans, La., on August 9, 1963, and have evidence of a third person, possibly in an official capacity, also taking pictures of this and the picketing that preceded it. In all cases, the National Archives reports it does not have the film.

In the first two cases I have been informed that the film was given to the FBI, which returned edited copies. I seek copies of all this film, for which I enclose a DJ-118 form and check. Also, all relevant reports except as noted.

One case involves one John Martin, who voluntarily took his entire roll of vacation film to the Minneapolis office of the FBI. The National Archives informs neither exists no record in its files of either this Jack Martin or his film.

The second case involves the Doyle family, Mr. and Mrs. J. Pat and son Jim and their friends the Matt Wilsons, of Portland, Oregon. One report of this is in Warren Commission file CD6, page 444. Four others are CD30:6-9. None of these five reports says the film was given to the FBI or returned. Therefore, I assume there are other reports, including of comment or analysis of what the film shows. I would like any and all reports besides those above listed.

Also, various reports in my possession and official descriptions of the professional TV film (WDSU-TV and WWL-TV) in the National Archives disclose that more than the three existing prints were made and shown by FBI agents for various purposes, including to establish the identity of a second man helping Oswald, one other than Charles Hall Steele Jr. None of these pictures exist in the National Archives. Steele confirmed to me the existence of this third man and the wrapper of the copy of the WDSU footage at the National Archives says it shows this person, which it does not. Again there is the presumption of editing and the fact of the existence of still prints of this other man. I seek copies of these prints, all relevant reports and access to the unedited footage from WDSU, whose permission I have. WDSU permitted me to copy the footage returned to them. Johann Pash, a photographer, says he made 17 prints. The government seems to have obtained this footage two different occasions, from the records I have.

The charges here will exceed the minimum. If you will inform me of the extra charge, I will send a check.

Sincerely,

  
Harold Weisberg
