SAC JOSEPH E. PONDER

ELSUB

Inspector JOSEPH A. SIZOO, Domestic Intelligence Division, called at 11:45 a.m. on 6/21/66. He instructed that our technical coverage on SCLC and MARTIN LUTHER KING, JR. be discontinued immediately. He said this coverage should be discontinued in such a way that it can be re-established on short notice, but it is not to be re-established without specific Bureau instructions.

I told SIZOO we would discontinue this operation at once, but that we would not remove any of our equipment from the plant, and that we would leave an Agent on duty round the clock to insure the security of the installation. We will continue to man the plant for security reasons for about a week at the end of which time we will check with the Bureau for further instructions if none have been received in the meantime.

I called SA DAVIS then on duty at the plant at 11:55 AM and he at that time discontinued this source. The Bureau was subsequently advised by teletype that this source was discontinued at 11:55 a.m. 6/21/66.
