

UNITED STATES GOVERNMENT

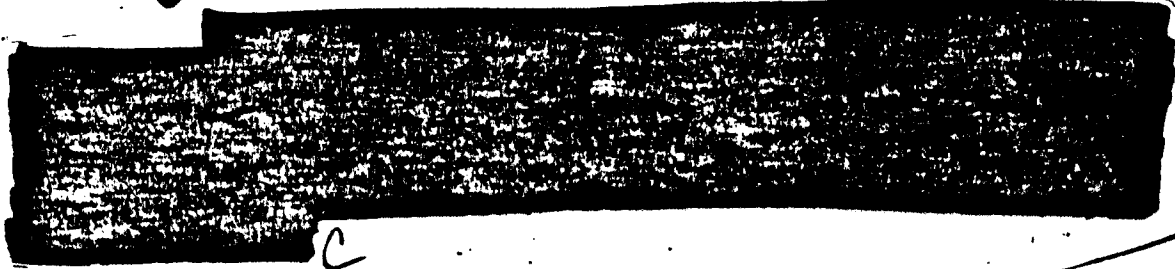

# Memorandum

*sub*  
TO : Director, FBI  
FROM : Legat, London (163-1033) (RUC)

DATE: 2/27/64

SUBJECT: ANONYMOUS LETTER ADDRESSED TO THE PRIME MINISTER OF GREAT BRITAIN RECEIVED IN ENVELOPE POSTMARKED 1/20/64, LOS ANGELES, CALIFORNIA  
FPC *Confidential*  
*62-104060-2404*  
*Kennedy*

ReBulet 2/11/64 instructing London to submit in letterhead memorandum form the information contained in the anonymous letter, plus results of the FBI Laboratory examination of same. Also, to incorporate the information in insert form (25 copies) for transmittal to the Dallas Office.

London does not possess reproduction equipment other than an Autostat machine; consequently, the inserts are on onionskin paper made by runs of 8, 8 and 9 copies.

Since Foreign Offices do not ordinarily denote the office file number in matters disseminated outside the Bureau, it was believed desirable to leave the London Office file number off of the 25 inserts for the Dallas Office.
