

Treasury Informant *Post*

PHILADELPHIA—Roy Frank-
houser, a self-proclaimed Nazi, Ku
Klux Klansman and Minuteman, was
used briefly as an informer by the
Treasury Department to try to pene-
trate a Black September group in Can-
ada, according to a story in the Phila-
delphia Inquirer.

The Inquirer said Frankhouser, 35, of
Reading, Pa., was to gather informa-
tion on illegal trafficking in guns and
explosives by extremist groups in Can-
ada.

The paper said that when Frank-
houser's efforts failed to produce dra-
matic results, the government decided
to prosecute him in connection with
dynamite thefts from a Reading firm
in 1973. Frankhouser goes on trial
Sept. 16.
