Mr. H. Richards Rolapp
Special Assistant to the Deputy Attorney General
U.S. Department of Justice
Washington, D.C. 20530

Dear Mr. Rolapp,

In accordance with your letter of 9/23, I enclose herewith the completed DJ-118 for ref Ronnie Coire and my check.

Your letter says "it is necessary for you to submit the DJ-118 form. Is this really the case? Or is it just you can require it and so elect? I do not for a moment doubt you can do this. What I am asking is merely does the Department make this requirement universal? As with such writing as the current Whitehead book, with the Overstreets and with others who write what is pleasing to officials?

Using this form makes us feel it will be necessary to go to court. That, I assure you, I would like to avoid. Hence my initial suggestion that we dispense with unnecessary formalities.

May I use this occasion to remind you of a number of unanswered letters, not included in what are so freely described as responses by Mr. Klaidienst and Mr. Ruckelhaus in their letters to Mr. Fensterwald? I would appreciate getting responsive answers.

For your information, I have accepted Mr. Ruckelhaus' suggestion and written Judge Curran about what I believe to be perjury by your Mr. Anderson. I did not tell him the Department's official spokesman described his order as "bullshit", although, if I had, I would have been doing no more than accommodating Mr. Ruckelhaus.

I do thank you for the promptness of your reply and for your thoughtfulness in enclosing the form.

Sincerely,

Harold Weisberg

Dear Mr. Weisberg:

I have your letter of September 15 in which you request certain information regarding the investigation of the assassination of President Kennedy.

As you know, it is necessary for you to submit the form D-15 along with the required fee, when requesting information of this nature from the Department. I have enclosed a copy of the form for your use.

Sincerely,

Paul had earlier sent me page 40. I got 41. The language of these reports is incredible if it is without significance, i.e., first sentence, second par. Provocative of suspicion also is the failure of the FBI to type this report from the date of interview, 11/23/63, for six months, until 11/19/64. While failure to type it might be an oversight, what does this do to the story that the reports are promptly typed and then the original notes are destroyed? In any event, it is one way to investigate the murder of a President
