Dear Mr. Enright,

Thank you for your letter of the 11th in response to the FOIA/PA request made on my behalf by my attorney, Jim Lesar.

Because he is busy with other matters and because I am certain you'd like to close out all matters as rapidly as possible I respond, with a carbon to him.

I do not have his letter to you before me. It is my recollection that he included a list of other possible files for checking. You do not mention this check.

In accord with your letter I also suggest a few possible in your area:

James Earl Ray and his family, especially William Gerald (Jerry) Ray, and Jesse B. Stoner. (I was Ray's investigator beginning before his habeas corpus petition that led to the evidentiary hearing and Mr. Stoner had been Mr. Ray's lawyer, the reason for my knowing Mr. Stoner.)

Jim Garrison, former New Orleans District Attorney.

Matt Herron, who had several addresses on Pine Street in New Orleans and docked a boat in Mobile.

The Committee to Investigate Assassinations of Washington, D.C.

The House of Representatives Select Committee on Assassinations and those associated with it.

James Brown of Long Beach. He used to work for the late Ronnie Caire, also then of Long Beach, earlier of New Orleans.

Thank you very much.

Sincerely,

Harold Weisberg
