WASHINGTON, D.C. 20531

OFFICE OF THE ADMINISTRATION

December 31, 1979

Mr. Harold Weisberg  
Route 12  
Frederick, Maryland 21701

Dear Mr. Weisberg:

This office has just received a copy of your June 5, 1977, letter that cites your request for copies of all U.S. Department of Justice records that concern you or your activities. This is to inform you that the Law Enforcement Assistance Administration has no record of having received a copy of this letter on any earlier occasion. Furthermore, as LEAA does not operate any law enforcement program, it keeps no records of any persons who are involved in such activities. In fact, it has no records concerning individuals other than those who have had official relations with LEAA's grant programs. Please advise this office if you have participated in any LEAA-funded activities.

Sincerely,
