Dear Mrs. Weisberg:

This is in reference to your letters of December 22, 1976 and August 23, 1977 concerning your husband's Privacy Act request. In your letters you asked that information about you, which had been previously denied release to your husband, now be released. The Privacy Staff, pursuant to your request, asked the Office of Security to reconsider its determination and release information to you. I have enclosed a letter dated October 18, 1977 and signed by the Deputy Assistant Secretary for Security which explains the review of information pertaining to you. As noted in Mr. Dikeos' letter, Document #23 has been referred to the Federal Bureau of Investigation for review. I will notify you of the results of that review as soon as it has been completed.

I sincerely regret the delay incurred in processing your request. Should you have any questions concerning this matter, please do not hesitate to contact this office.

Sincerely,

John S. Pruden
