When he's written showed me an FBI (Not WC) memo on the interview with Annally I told him it represented what must be countless reads not given to WC - FBI versions. Later told him it had to reflect what in tonight's conversation I called a phone back channel. I told him who to call & see at Arch-west what to ask for to confirm this. He sent me the attached pages. They proved. Has spotted a difference in what was actually said before I could compare (I was in hospital)... The FBI internal memo which was by Rosen to Belmont cc: deLoach & Sullivan is dated 12/13/63. The ~~Houston~~^{Austin} interview was 12/11, dictated 12/12 & not typed until 12/13... It is in tracing this ~~report~~^{report} has found proof of all those other reasons & ~~reported~~ some... They moved The Annally story today for Saturday use... I had told her I published the story editing out of FBI version but Jack would not credit use any way. He did, was embarrassed, spoke to Jack, & Jack offered plug for new book. I said I have no interest in personal publicity but why would they not say I am the country's smallest publisher at Freed. He likes this approach, thinks Jack will offer him several items from it. He is to call to-morrow. 10/28/75
