Doar Dro Phoede,
Your lottex of $J_{u l y}$ on has just reached mo. In it you say with murnfang casualness that "de havo found that et sose thme in tha poet the lonot in Prest dant Kempely's nocictio was untind. " \#o more.

Ho sorrow, nox rogrsta, 10 apologies, not evch tho alighost exprassion of concem.
And wast is nost aigrificunt, no stabuncmt that you have ranco evon the most perm functory iurvestigation or what it discloses. The most reasonsble intezpretathion of your lack of concern is that you have not wade and do mot plen any invegtigethon.

I Iearnad of the fact, not your attitnde, whori I appeared at the Archeres yostercay to geo whet you hed proraiscd me in whiting and in court only to infil that it no lowger oxiatis.

There fa no complaint about the quality of the photographs taken. They ape wip to the usually hish proiesoitanal standards of your photographers. Hoz of your elerik, who wa, as usual, polite and conadiderate.

By now you should have cone to undsastend wa and, I would hope, the goziuuenegs of my intemt and my wozk, dapite the minaypeasentation of it on your behale in coust rocoreis. So, with all the soxiousmoss I con, I ack yous if you intand to conduct ax invertizgation and, if you do, whon I cen expect to know its ressultes. I look forward to inearing from you about this in something leas then your custosory 60 asys pius.

As a congockuance of this, Bbal I call. It an unforthunntio accident? some of the pictures faken are meaningless. In one eapes, if tho picture was taicen, it is not eleariy Identifiod and seemss to be othor than what I acked Por, I have descmbed what I would like to gee to your gterf. If you whll please let mo knou when I may oxpect to be able to make that oxamination, I would appreciate it. If there is any question, as I think therc should not be trom my correspondence, please phone me ycurgeli ana be satuisfiod. Fou bhould realige thest the requesta I wade are not harrassing, not excessive, and are the sdruinum for ayy auch aturly au I hevo undertalcean snd whon you conaidor, as I think you should, what tho monous coat to mo of your forcing vo to go to coust on this whes wand how it ia yot withtn your capabdlity to aeke any leind of redress for it and then coupare this idith the modest sature
 axe only those as transparont as I weprescnt thea to lo, quxtoua soholarahzip that you have nour perentited to become Imposstikle.

I avait your explenations ofth as mucli auxioty as you ahould be able to anticcipato.
