It would be appreciated if the Bureau could furnish any information relative to Harold Weisberg, an employee of the Department, who was born at Philadelphia, Pennsylvania on April 8, 1913.

In this connection it is understood that Mr. Weisberg was formerly an employee of the La Follette Civil Liberties Committee and was dismissed from that Committee for cause, which was believed to be his contribution of articles to the Daily Worker. It would be appreciated if this matter could be expedited as urgent, as action is necessary by the Department in this case.
