14A foot note: this probably refers to 79-1700 or 81-0023. It refers to the lawsuit for the remaining Commission executive session transcripts. What ~~I was~~<sup>GOTTWANT</sup> is probably in the manilla envelope in which I got it, about 300 pp of records relating to Norman Redlich

14A Ford footnote get Ford file from subject file, review and add cites to those relevant.

16 No missed shots. I have "shots" files. office and subject. I think thos requires citation of FBI and Secret Service records avaiding missed shot/

~~25 2/2/5 2/2/6 executive session transcripts~~

26 Hosty flap subject file-if one on Fenner her name will be on it. +f not, get from a record in it tpat mentions her name.

28A What this seeks is probably in subject fole on me and/or critics
