

Secretary Hirambee WTOP-TV 5/7/77 7:30 p.m.

opened with 2 apr 1968 film

much public criticism - enough on record in previous long inv.
of both King & King

Leads before them "old news" what know new about LHO - doesn't
answer alleges official withholding from WC

Says CIA had "meeting notes" from LHO

Claims Texas officials on LHO to FBI agent - trust what follows all

Says CD 1052 says Dulles said FBI would not admit from my work

"We have now identified about a hundred who were at the scene"

"Mikoi" mafia suspect - that subject of investigation
of Ruby is injected with cancer.

High on list - Ruby - Oswald association; trust on King

~~Second half~~ Lane - Gregory charge of FBI in act we see:
"I can understand" what is in minds of Americans on this

"He did not know it that time that this FBI" was doing
dirty tricks on King - where were those who shadowing
King when he was killed. On switch of water

"Will there was a good bit of activity" by militants
used "we are looking at the whole scene to see" if
that was to get "King" in place "Rejects military

was "new lead" on Mexico. Still supports Board.

Says says has a chance to say what he did not have a chance to say before
looking at all records of investigation agencies.

Trust part on reportees "I'm concerned about the integrity
of the Amer. press." Says he is for "hard" reporting.

Says that those on CIA payroll are "not putting"
to the Amer. people: or write these stories
