Dear ir. Agrongky,
once upon a aecent titae it was the cuatom of hororebla risporters gnd decent pepera never to gey os man was guilty of e crime until condicted -. In court by F Jury of his peers. ith so many of the flue tradition of $\therefore$ hateries journalima, bils is no longer true.
 "oanedy, shooting hix Fitic 5 weil-order sifle fro the Toxes Sohonl book ieponitory. Bresic thie dorm as fine sa you wil, esch element is felse to such on extont that 1 believe today even a biesed mind mil geknoklejge ore thon a reazonuble doubt.
 of the aralsaion which gibedfest $1 y$ refuse $d$ to concuct on inventigution of the murcier it ase chsrgad sith investizating, wille ite pucliciats uere loudly protenaing that in atar-chanbers it pee. The libervi fournslietic friends of Earl areon est the conservative desetess of ficherd fussell have tufe in conbon. by tadir silenco eni their odvientiona they eusrentee the osn they respect. like the national honer sal integrity, will notryon recover from what they beva uncriticelly accepted or worse, with no pergonel knowlenge, praclaimed.

The purpose o: this lettar is to renuest ousl time to responi to you inac ur te broedcal. I propoae to offor you for eiring gome af the sumpresaed ovitence showing thet "ewnid Wes knnon to the government net to hove bean In s poiftion to have aomated the erime, thet there is no prof that rifle iv used (and the evilence that is elleged to prove it to this doy is stil. suppreased); and mast until noz hea not been eiret, proor tested for tas firat tine in court that there was an invertigetion to see how the orime was com ittad or by surne.
ded gou responded to my seversl sariler efforte to reach you by thone when you sere sixing tia oficisi stecias on the assassination, bil now orduined pointless, com itted only by nute while they asrve comprehensiole politicel onds, jou alght hsve had sninteling of the truth. Fiewever, were our pesitions (end frncoledge of the (scts) avi ched, wore I to receive auch o letter to thita, It hyve the doepest doubta. Theraiore, ofler to anm yvu in adveneo more tam enoum to satiafy a ressoneble man that the foregoing is not exagerated. Viore,
 alll sheke you s bit。
