Dear Roger,

I'll be in New York to make a speech on the 17th, at Hunter, in the afternoon, cluttered somewhat by Groden's being on at the same time. It will be good if he restricts himself to showing film without interpretations but I don't expect that.

I have other things to do so I'm thinking of going up on Sunday.

If I do it will depend on whether I can get someone to drive me to the station what time I get there. If I drive to the bus station and leave my car there I'll probably be there by lunch time. If I get a student to drive me, which would be better on the return trip, when a student will meet the Metroliner, I may not be able to catch as early a train.

In any event, if you want to get together and if I do go up on Sunday, this will be the best time for me and I suspect for you.

I will be using the contents of Post Mortem at the appearance. It has never been aired in New York. Or anywhere for that matter.

Last time WCBS covered and used heavily. I may be wrong because I had a high fever but I think their reporter was Palmer Paine. I do not expect TV interest but if WCBS-TV has an interest I'll have slides of some of the new documents. If I knew there were interest I could prepare for it. I could carry pictures, xeroxes, etc., which might be easier for TV uses.

Unless the college arranges a press conference, I will not be able to. I'd be quite willing to hold one but lack the means or time. I'm in the 12th chapter of the new book and want to complete the draft. In fact, I'm more than willing. I'd like to have one with this new stuff. I'll have books on sale commercially if profitlessly. I've made these arrangements just to have them on sale.

Best,
