

Addendum to Memo of 12/13/68 Re: Martinsburg attach to the memo at bottom of last page

Addendum: Both Mrs. Mame Teeter (interviewed above) and a Mrs. Leidy, a friend of hers contributed the following additional information: Rumor has it that the daughter's boyfriend came from Cuba (swam part of the way) and had a rich father in Miami who died before he came over. The boy allegedly lived with his aunts in Miami. Also according to rumor, the girl is going to the Embassy (supposedly Cuban) in Balt. to get money. A teacher in the high school, Adam Long, supposedly went down to Washington to help the Fernandezes move up to Martinsburg.

One name from New York was turned up in the Hotel's guest register which could not be accounted for: M. Barbieri, Necclti Dev. Co., 375 Park Ave., N.Y. According to Mrs. Teeter, the girl's boyfriend visited the hotel three times.
